**Abstract.** *This document provides information and instructions for preparing a paper to be included in the Proceedings of the III Conference on Structural Dynamics (DinEst 2024). The paper can be written in LaTeX or Word. The first page is reserved for the title of the paper, the authors, affiliation, keywords and the Abstract. The introduction must begin at the top of the second page. All the instructions as well as the source for the example files for LaTeX or Word can be found at the website of the Conference.*

## 1 INTRODUCTION

The proceedings will be available in PDF file. The paper should be written following the format of the LaTeX or Word macros for submission that can be found at the Conference website: <https://congreso.us.es/dinest2024/>. **The file has to be translated to Portable Document Format (PDF) before submission. Authors must upload the PDF file, correctly formatted, at the Conference website.** The deadline for uploading the full-length paper is given at the conference contact: <mailto:dinest2024@us.es>. The organizers do not commit themselves to include in the Proceedings any paper received later than this deadline. **At least one of the authors must register and pay his/her registration fee before the relevant deadline for their paper to be included in the final program of the Conference.**

## 2 GENERAL SPECIFICATIONS

The paper must be written in English within a printing box of 16 cm x 24 cm, centered in the page. There is no limitation regarding the number of pages of the final contribution.

## 3 TITLE, AUTHORS, AFFILIATION, KEYWORDS

The first page must contain the Title, Author(s), Affiliation(s), Keywords and the Abstract. The second page must begin with the Introduction. The first line of the title is located 3 cm from the top of the printing box.

### 3.1 Title

The title should be written centered, in 14pt, boldface Roman, all capital letters. It should be single spaced if the title is more than one line long.

### 3.5 Abstract

Use 12pt Italic Roman for the abstract. The word **Abstract** must be set in boldface, not italicized, at the beginning of the first line. The abstract text should be justified and separated 12pt from the keywords, as shown in the first page of these instructions. The abstract should neither be too short nor exceed the first page.
